**HELPING THOSE IN NEED –ST. VINCENT DE PAUL**

We are in need of **dry pasta & cookies**. Unopened items only. Monetary donations can be dropped off at the office or placed in the collection basket marked for St. Vincent de Paul.

*From the cluttered Desk of Fr. Kevin,*

Today we are invited to look at how we understand mercy, forgiveness and faith. Jesus ties these elements to love. Those who are forgiven much, love much and those who love must be merciful. But in all of this there is the overriding element of faith. If you go to confession and don't believe your sins will be forgiven then how can they be forgiven. If you don't believe that Jesus died for your sins then how can He save you?

You might say you believe in God but how does that help the community, we all can lie with our words. You might show me your actions but our actions are not always pure.

St. Paul tells us that we are justified by faith and so we are but in the Gospel Jesus ties faith and actions together. It was not her washing of his feet that brought about her forgiveness it was her faith, but her faith was seen in her washing of the feet of Jesus.

St. James tells us that faith without works is dead. Why would he say this if he knew that we are saved by faith? Again we look to Jesus. Jesus not only was filled with faith, he knew the Father and Jesus went through the towns and villages proclaiming the good news and curing and healing many.

Yes we are all justified and saved by our faith in Jesus but if our faith does not lead us to action, is it real faith?

*Peace Fr. Kevin*
